SECTION A - SUPPLEMENTAL INFORMATION

The purposes of this amendment are as follows:

1. Section A, paragraph A-2, subparagraph 19, page 4, is hereby deleted in its entirety and replaced herein by the following paragraph A-2, subparagraph 19.

19. Buy American certifications shall address quantities from zero up to the maximum quantity identified for each CLIN. The contractor may provide certifications based on quantity ranges (e.g. for the A059 maximum quantity the offeror may certify that the first xxM rounds are Domestic, the next yyM rounds are foreign exempt, and the remaining quantity up to the maximum are foreign non-exempt). The Buy American Act evaluation process will utilize the three pre-established evaluations points as stated in Section M (BEQ, low and high) for each CLIN to determine the CLIN's status for purposes of the Buy American Act evaluation based on the contractor's certification that would be applicable at each evaluation point. The status as determined will then be utilized as shown in the "Roll Up" tab of the evaluation example contained in attachment 013 of this solicitation. The Government will use the certification that the offeror identifies for each particular CLIN for all years, unless otherwise indicated by the offeror in their certification. The Buy American Act will be evaluated for each of the six (6) procurement periods in the same manner.
2. Add ECP R04S3036 to the following:
CLIN 0012 DODIC A555, Section C, paragraph C-1, page 20
